

There's More To Life Than Lectures!

PHOTOSOC is **your society**, and to really provide the best we can, we need **you** to tell us what you want!

We already run a whole load of events and meetings in addition to these talks, but it's no good if you don't all get involved!

We're here for you, but need to know **what** you want, and **when** you want it - don't be shy! Make your demands and make them **now**! Check out overleaf for what's already happening.

Exciting Events and Social Stuff!

Here's some of the stuff you might have missed. If you want to know more, just ask one of us at the end of the session today!

- Join us at our **weekly meetings in the pub** - 2pm every Friday, in KroBar - have a drink and a chat about anything you like! Share your pictures, have them critiqued, and ask any questions you might have.
- **Borrow our stuff and use our facilities** - plenty available, from the darkroom to digital cameras! It's a unique opportunity to get your grubby mitts on some excellent kit, so make the most of it!
- The **web forum** is where it's all happening - all the latest information, news, and plenty of chat. It's dead easy to find out all about what's going on!
- Have a look through our **members' photo galleries** on the website, and even better, ask for yours and share **your** images.
- Enter into our **competitions!** The current entries are now on show to the public in Kro2 - watch out for more contests coming soon!
- Come on our **photo trips** around Manchester & elsewhere – and anywhere **you** want to go? Tell us!
- Participate in the actual running of the society by attending the **committee meetings** – ask us for more details about this

Above all else, we want your ideas for events – think what you want from us, and let us know! Be part of something special and really make it your own – since it's all about **you!**

Cheers! Your Photosoc Committee
